Just a reminder for the time being we can only unlock Iphone 2/3/3GS and some 4's on IOS 4.01 - 4.3.5 ONLY - Iphone 4S & 5 and most of the updated 4's from 4.3.5 - 6.0.1 can only be network unlocked via the original network provider or a 3rd party service such as ebay sellers or some websites, this is still expensive and slow (1-2 weeks!) - we get asked at least 10 times a day per store - so if it was possible we would do it!
